

Welcome to all our new and existing patients. +

UPDATE FROM THE PRACTICE

We are pleased to announce that Summer is back! Our popular Hygienist is back from her travels and working at our Skipton practice on Mondays, Tuesdays, Thursdays & Fridays.

Summer

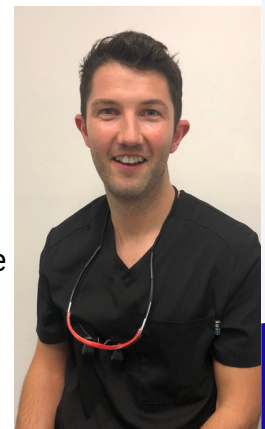

Sadly, we said goodbye to two hygienists in July. Whitney Taylor & Charlotte Horler, who both worked at our Ilkley Practice. Both have made the decision to work closer to home, in turn meaning they can be closer to their families. We wish them all the best and thank them for many years of hard work, dedication, and service. I'm sure you will all agree that they will be missed.

Vatsala

We have Charlotte Firth, a hygiene therapist from our Skipton branch moving over to Ilkley on a Monday and Friday & Vatsala Malhotra joining us on a full-time basis to cover your hygiene needs, Vatsala has worked with us since April, and we look forward to seeing her around the practice more! We will also be welcoming Nancy Sharma who will be our Saturday hygienist come September.

We are also saying a fond farewell to Pete Robbins, one of our Ilkley Dentists who has been with us for 10 years! Just as Phil and Owen did many years ago Pete is buying his own practice and we wish him well in his new venture. Pete has been an incredible asset to the team, and he will be missed by both patients and staff.

Colm

As one chapter ends another one starts and we want to welcome Colm Hicks to the team, Colm will be working on Mondays and Wednesdays at our Ilkley practice and Jo Cape is increasing his days. We hope to make the transition of Pete leaving as smooth as possible but please be patient with the reception teams as we navigate the diaries.

If you have been in recently to the Ilkley practice, you may have seen a new face on reception. Sophia has joined us, and she will be welcoming patients and helping with any enquiries you may have. We think she's made a great addition to the friendly team we already have.

We understand there are a lot of changes happening at once at our Ilkley practice and we thank you for your patience during this time. If you have any questions or queries, please feel free to contact our Patient Care Manager, Jodie – jodiemarks@myidc.co.uk who will be happy to help.

ILKLEY DENTAL CARE & BELLE VUE DENTAL PRACTICE

TREATMENT SPOTLIGHT

Orthodontics

Did you know we offer Invisalign?

At both practices we offer Invisalign*, Invisalign can help to straighten crowded teeth without the need for traditional metal braces. Together with your dentist you can review and agree on your treatment before a series of custom-made aligners is produced. Each aligner is slightly different, moving your teeth gradually into the desired position.

What are the benefits of Invisalign?

The treatment is nearly invisible and is removable.

How long will the process take?

Treatment length will vary depending on your case, but the average treatment is twelve to eighteen months.

How much does it cost?

Each individual case differs but a guide price is: £2995.00**

*We also work with Yorkshire Orthodontics who offer all types of braces at our Skipton site.

**We do offer 0% finance on treatment that is more than £550, please enquire about this with our reception team before starting treatment.

YORKSHIRE
ORTHODONTICS

If you would like more information on Invisalign then don't hesitate to give the reception team a call, who will be more than happy to help.

FEEDBACK

We are required by our governing bodies to complete Patient Questionnaires every 12 months, but we love hearing your feedback good or bad (although, hopefully there will not be too much of the latter!). This is why our patient questionnaires are available all year round, should you wish to tell us anonymously (or please feel free to leave your name) about a good experience you have had or where you feel we need some improvement. Please feel free to ask at reception for a form or alternatively you can complete a review on Google or our new website.

If you would be so kind to leave us a 5 star Google review, we would really appreciate it. You can use the QR codes below.
