

Welcome to all our new and existing patients.+

UPDATE FROM THE PRACTICE

We would like to introduce you to Dr Brad King, Brad will be joining our Skipton practice on Tuesdays, Wednesdays & Fridays! Brad qualified from the University of Central Lancashire in 2021.

He has recently worked as a mixed NHS and Private Associate and is excited to be joining our team. Brad has an interest in both minor oral surgery and high-quality restorative dentistry and regularly attends courses to boost his knowledge and skills. Outside of the surgery Brad enjoys a range of sports including squash, CrossFit & skydiving. Brad will be able to provide all routine aspects of general dentistry, whilst also offering aesthetic dental treatment such as clear aligners / braces, and after completion of his PGDip, composite bonding & smile makeovers.

We would also like to welcome back Kerry Broadley who is our Head Nurse at our Ilkley Practice, she has been missed by staff and patients whilst she was on maternity leave and so it is lovely to have her face around the place again!

We will be welcoming a new dental nurse to the team this Spring; Eliza is moving up from the South and brings with her a vast amount of experience. We feel she will be an asset to our fantastic nursing team. She will be working at both our Ilkley and Skipton Practices

For those that are part of our Practice Plan membership scheme with us, you will have received notification that plan prices are going up as of April 2024. These increases happen annually, if you have any questions or queries regarding this, please contact our Patient Care Manager, Jodie – jodiemarks@myidc.co.uk
